

**Remarks:**

This application is a continuation application of USSN 10/617,096. Claims 1-107 have been canceled and new Claims 108-112 have been added to cover the use of these compounds in treating or inhibiting osteoarthritis. Basis for the claims covered by this continuation application is provided on page 17, line 31 of the specification. The abstract has been amended to reflect to scope of the claims of this case.

The applicants respectfully request entrance of this preliminary amendment, and substantive examination of Claims 108-112.

Respectfully submitted,

Arnold S. Milowsky
